MINUTES OF THE MEETING OF THE WORKERS' COMPENSATION COMMISSION
FOR THE STATE OF OKLAHOMA

The members of the Workers' Compensation Commission for the state of Oklahoma met at 1915 N. Stiles Ave., Oklahoma City, Oklahoma, on September 29, 2017.

Members present: Chairman Liotta, Commissioner Russell, and Commissioner Tilly.

Others in attendance on behalf of the Commission: Kim Bailey, Scott Chance, and Eric Russell.

Chairman Liotta expressed appreciation for those in attendance. After the roll was taken, he announced the presence of a quorum. The meeting was called to order at approximately 2:30 p.m.

1. Discussion and Consideration of Extending the Mandate Date for Electronic Data Interchange (EDI) Reporting

Currently the Commission has scheduled voluntary reporting for EDI to begin October 16, 2017, and mandatory reporting on January 1, 2018. This current timeline does not provide sufficient time for trading partners and the Commission to effectively implement EDI. Therefore, the Commission discussed and consider extending the voluntary reporting period start date and the mandatory reporting period start date. Additionally, due to the potential change in the timeline, the Commission discussed reviewing the option of implementing IAIABC Claims EDI Release 3.1. Kim Bailey was recognized, reported, and gave a recommendation.

Motion: Commissioner Russell moved to extend the mandatory and voluntary report start dates to a date to be determined by the Commission executive director and approved by the Commission Chairman.

Second: Commissioner Tilly.

Those voting aye: Chairman Liotta, Commissioner Russell, and Commissioner Tilly.

The motion carried.
